**CALIFORNIA AUTHORITY OF RACING FAIRS****Live Racing Committee****Tuesday, May 1, 2012****MINUTES**

A teleconference meeting of the California Authority of Racing Fairs Live Racing Committee was held at 11:00 A.M., Tuesday, May 1, 2012. The meeting was held at the California Authority of Racing Fairs Board Room, 1776 Tribute Road, Sacramento, California, 95815.

CARF Live Racing Committee members attending: John Alkire, Norb Bartosik, Mike Paluszak, Rick Pickering, Tom Sawyer, Tawny Tesconi and Stuart Titus.

Staff and Guests attending: Christopher Korby, Larry Swartzlander, Tom Doutrich, Heather Haviland, Amelia White, Tom Sawyer, Dave Elliott, Rebecca Desmond, Chaplain Chris Belluomini, Chaplain Rob Cochran and Steve Wood. Joining by Conference Call: Janet Covello.

**Agenda Item 1 – Date, Time and Location of Next Meeting.** The next CARF Live Racing Committee meeting will be held June 5, 2012 in Sacramento.

**Agenda Item 2 – Approval of Minutes.** Mr. Bartosik moved to approve the meeting minutes as presented. Mr. Pickering seconded, unanimously approved.

**Agenda Item 3 – Report, Discussion and Action, if any, on Totalisator Contract Extension.** Mr. Korby reported that the totalisator contract, which is coming up for renewal, provides the technical infrastructure for the transaction of wagers. The existing contract with Sportech (formally known as Scientific Games and Autotote) is expiring but includes a provision for a 3-year extension. CARF, NCOTWINC and SCOTWINC have exercised that extension thereby entering into a new contract with the same terms for another three years, securing services for the live racing Fairs and Fair satellite network.

The extension with Sportech does not currently include the Stronach owned tracks, Santa Anita Park and Golden Gate Fields, due to the fact that the Stronach Group owns a rival totalisator company (Amtote).

A copy of the extension agreement for totalisator services is included in the meeting packet.

**Agenda Item 4 – Report, Discussion and Action, if any, on Extension to CA Downlink Contract (Roberts).** Mr. Korby reported that for a number of years Roberts Communications has been providing uplink services to California tracks. These services include two separate agreements to provide both the equipment and onsite personnel to, 1) take the Fair racing signal, send it to the

appropriate satellite, encrypt it and distribute it back out across the country, and 2) decode incoming encrypted signals from Southern California and out-of-state tracks.

The new agreement serves all California interests by entering into a single contract with NCOTWINC and SCOTWINC that provides the downlink equipment at a fixed rate on a continuous basis year-round with a provision for expansion. In the past there were separate agreements between sending tracks and receiving satellite locations for decoder equipment. This created a situation where satellites were paying different rates for decoders from out-of-state tracks, creating unstable pricing and continuity of service for satellite facilities.

The Roberts Communication contract is included in the meeting packet.

**Agenda Item 5 – Report, Discussion and Action, if any, on Legislative Program for 2012 and Beyond.** Deferred to Board of Directors meeting at 12:30 p.m.

**Agenda Item 6 – Discussion and Presentation on Chaplaincy Program (Chaplain Chris Belluomini).** Mr. Korby reported that CARF has contracted with the Race Track Chaplaincy of America (RTCA) for a number of years. RTCA is a non-denominational organization created to address the special needs of the backstretch community. Services include religious services, counseling, translation and transportation.

Chaplain Chris Belluomini, Northern California Chaplain since April 2009, introduced the newest member of his team, Assistant Chaplain Rob Cochran. Chaplain Belluomini stated that RTCA has been in existence for 40 years and that he and Chaplain Cochran serve Golden Gate Fields, Pleasanton (as a year-round training facility) and the Northern California Fair Circuit. Chaplain Belluomini shared a story of one of his first experiences at the Fairs in 2009 involving the tragic gate accident that took the life of an employee. In that instance, Chaplain Belluomini held a vigil at the emergency room, provided a memorial service on the backside of Stockton, helped disperse belonging and helped finalize legal paperwork. This unfortunately accident is a snapshot of the services RTCA provides.

Chaplain Belluomini stated that other services offered include meeting with jockeys, holding prayer in the jockey's room before the races, meeting with the starting gate crew, providing chapel services, hospital visitations, bilingual counseling, providing resource information, promoting educational opportunities and meeting benevolence needs whenever possible.

Chaplain Cochran shared warm stories of his time at Ferndale and the opportunity to help with Spanish-speaking workmen's compensation issues involving injured jockeys.

Chaplain Belluomini closed by stating that he best analogy he could provide is that working for RTCA in Northern California is like being a pastor and social worker in a very small town. Just by being present, the needs of the community reveal themselves.

Mr. Pickering thanked the Chaplains for the work they do at Pleasanton year-round. The Chaplains deal with highly sensitive family and personal issues that would be beyond the scope of the Fair to handle or intervene in.

Mr. Swartzlander added that the Chaplain do a great job of “damage control.” Often by the time an issue is brought to management’s attention, the Chaplains have already interceded and provided a solution.

Ms. Tesconi asked if the RTCA would have a presence at Santa Rosa every live racing day. Chaplain Belluomini stated that there are ongoing needs at the year-round facilities (Golden Gate Fields and Pleasanton) and that the goal of the Chaplains was to be present at the Fairs at least twice a week at a rate of \$1,000 per Fair for the meet.

Mr. Alkire asked if the Committee would entertain a motion to continue services. Mr. Sawyer moved to approve the contract with RTCA for the 2012 Fair season. Mr. Pickering seconded.

Ms. Tesconi stated that she would only be in favor of the motion if there were commitments made by the Chaplains as to the number of days they would be present during each Fair. Ms. Tesconi stated that a presence of three days per week would be sufficient for her support. Mr. Swartzlander stated the nature of the Chaplains work necessitates flexibility. If there is a major accident during training at Golden Gate Fields, the backside workers as a whole are best served by the Chaplains having the flexibility to attend to major accidents without worrying above the number of days they are present at a specific facility.

Chaplain Belluomini stated that they would be happy to try and accommodate being at Santa Rosa three days per week.

Mr. Sawyer and Mr. Pickering stated that they would not impose requirements on the number of days RTCA staff be present. Mr. Sawyer stated that \$1,000 per Fair is a bargain if backstretch issues are mitigated before the Fair management becomes involved.

Mr. Bartosik provided a substitute motion in which Fairs support the RTCA program at \$1,000 per Fair and that RTCA staff work with individual Fairs to determine specific needs. Mr. Pickering seconded, unanimously approved.

**Agenda Item 7 – Report and Discussion on Track Safety and Maintenance Program.** Mr. Korby reported that for the past 10 years, CARF has invested significant time, money and effort into a Race Track Safety and Maintenance Program (RTSM) at Fairs. Mr. Swartzlander manages the day-to-day aspects of the program and Track Supervisor Steve Wood directly oversees the racing surface during live racing. Elements of the RTSM include amendments/surface testing, consulting, equipment (tractors, harrows, water trucks, rock picker, etc.), equipment maintenance, insurance, labor, transportation as well as a state-of-the-art horse ambulance and dedicated driver.

Mr. Swartzlander circulated a handout titled "CARF Track Safety & Maintenance: Three Year Projection." Due to the lack of F&E funding for the program, Fairs have \$456,000 remaining in the fund which should last three years with a gradual transfer of expenses to Fairs. The proposed plan projects costs through 2015, showing both the amounts that will be covered by the fund surplus and the amounts that will be absorbed by each Fair.

Ms. Tesconi asked if there was a contingency plan for unexpected equipment replacement. Mr. Swartzlander stated that he was confident that the current equipment is in good shape and will be serviceable through the duration of the plan with tractor treads and harrow teeth being the only substantial equipment that will need to be replaced.

Mr. Korby introduced Steve Wood, Track Supervisor for CARF. Mr. Wood stated that he has been overseeing the Fair racing surfaces since 1989. Mr. Wood stated that the RTSM program is unique in the racing industry. The program not only creates a significant cost savings, but more importantly, it creates continuity across the racing surfaces thereby establishing trust and a sense of expectation from horsemen. As a result of the program, Fairs have the safest racing surfaces in California. Mr. Wood addressed his initial plan for adding amendments to each surface in 2012.

**Agenda Item 8 – Report, Discussion and Action, if any, on Planning for 2012 Fair Race Circuit.** Mr. Korby reported that CARF staff has finalized an agreement for program printing with Delmar Graphics and for distribution with STAT Delivery.

Mr. Korby reported that 2012 condition book covers are included in the meeting packets. Mr. Doutrich reported that stall applications for Pleasanton are due tomorrow and the Pleasanton condition book is currently available on the website. Mr. Doutrich reported that the Pleasanton condition books will be printed three weeks earlier than prior years, which should be beneficial drawing California horses.

Ms. Haviland reported that she will be contacting each Fair to update the information on CalFairs.com as well as start designing the 2012 program covers. Ms. Haviland also reported that she has been contacted by the retirement group Neigh Savers which is interested in providing a retired racehorse that could be made accessible to the public. Lastly, the California Marketing Committee (CMC) has retained a public relations firm to pitch horse racing stories that a Fair's normal publicity team might not have time to reach. We will schedule a conference call with the agency and each Fairs publicity manager to see where they might be of most help.

Mr. Swartzlander circulated the 2012 summer stabling schedule.

**Agenda Item 9 – Report and Discussion on CHRB Racing License Applications and Schedule.** Mr. Swartzlander reported that the Pleasanton application was well received by the CHRB Board and has received approval. Cal Expo and Santa Rosa will be heard at the next meeting and Mr. Swartzlander is currently working with Ferndale to complete their application.

Mr. Korby asked Mr. Titus if he has determined which days of the week live racing will be conducted during this meet. Mr. Titus responded that a decision will be made soon.

**Agenda Item 10 – Report, Discussion and Action, if any, on status of Horsemen’s Agreements.** Mr. Swartzlander reported that all of the horsemen’s agreements have been signed and delivered to the CHRB. Mr. Pickering thanked CARF staff and TOC staff for finalizing the horsemen’s agreements in a timely manner.

**Agenda Item 11 – Executive Director’s Report.** Mr. Korby reported that samples of animal welfare policies are included in the meeting packet. CARF staff is reviewing existing standards and policies in order to prepare an education piece relevant to Fair horse racing.

Mr. Pickering reported that Pleasanton has developed a pocket sized wagering guide to distribute to fairgoers. The guide was well received at Pleasanton’s CHRB application hearing.

Respectfully submitted,  
Heather Haviland

## CA Authority of Racing Fairs Legislative Report - Last 10 Days 5/11/2012

**AB 517** (Hall) Tribal gaming: compact ratification. (E-05/10/2012 [html](#) [pdf](#))

**Status:** 05/10/2012-Urgency clause adopted. Senate amendments concurred in. To Engrossing and Enrolling.

**Current Location:** 05/10/2012-A ENROLLMENT

**Digest:** *Existing federal law, the Indian Gaming Regulatory Act of 1988, provides for the negotiation and execution of tribal-state gaming compacts for the purpose of authorizing certain types of gaming on Indian lands within a state. The California Constitution authorizes the Governor to negotiate and conclude compacts, subject to ratification by the Legislature. Existing law expressly ratifies a number of tribal-state gaming compacts, and amendments of tribal-state gaming compacts, between the State of California and specified Indian tribes. The California Environmental Quality Act (CEQA) requires a lead agency to prepare, or cause to be prepared, and certify the completion of, an environmental impact report on a project, as defined, that it proposes to carry out or approve that may have a significant effect on the environment, as defined, or to adopt a negative declaration if it finds that the project will not have that effect.*

*This bill would ratify the tribal-state gaming compact entered into between the State of California and the Federated Indians of Graton Rancheria, executed on March 27, 2012. The bill would provide that, in deference to tribal sovereignty, certain actions may not be deemed projects for purposes of CEQA. By imposing additional duties on a lead agency with regard to the implementation of CEQA requirements, this bill would increase the service provided by a local agency, thereby creating a state-mandated local program.*

*The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.*

*This bill would provide that no reimbursement is required by this act for a specified reason.*

*This bill would declare that it is to take effect immediately as an urgency statute.*

~~*Under the Alcoholic Beverage Control Act, a wholesaler or manufacturer may accept the return of beer from a retailer only if the beer is returned in exchange for the identical quantity and brand of beer. Existing law provides for exceptions, including permitting a wholesaler or manufacturer to accept the return of beer from a seasonal or temporary licensee or an annual licensee operating on a temporary basis, as specified.*~~

~~*This bill would allow for an additional exception to allow a wholesaler or manufacturer to accept the return of unsold and unopened beer from an organization that obtained a specified temporary license, as provided.*~~

~~*Vote: majority 2/3 . Appropriation: no. Fiscal committee: yes. State-mandated local program: no yes .*~~

**Laws:** An act to add Section 12012.56 to the Government Code, relating to tribal gaming, and declaring the urgency thereof, to take effect immediately.

**Digest:** Existing law creates in the State Treasury the Indian Gaming Special Distribution Fund for the receipt and deposit of moneys received by the state from certain Indian tribes pursuant to the terms of gaming compacts entered into with the state. Existing law authorizes moneys in that fund to be used for specified purposes, including for grants for the support of state and local government agencies impacted by tribal government gaming. Existing law, until January 1, 2021, creates a County Tribal Casino Account in the treasury of each county that contains a tribal casino, which is funded according to specified formulas. Existing law requires the Controller to divide the County Tribal Casino Account for each county that has gaming devices that are subject to an obligation to make contributions to the Indian Gaming Special Distribution Fund into a separate account, known as an Individual Tribal Casino Account, for each tribe that operates a casino within the county. Each Individual Tribal Casino Account is required to be funded in proportion to the amount that each individual tribe paid in the prior fiscal year to the Indian Gaming Special Distribution Fund, and used for grants to local agencies impacted by tribal casinos, as specified.

~~The bill would make a technical, nonsubstantive change to the above-described provisions.~~

*Existing law establishes an Indian Gaming Local Community Benefit Committee in each county in which gaming is conducted, specifies the composition and responsibilities of that committee, and requires that committee to make the selection of grants from the casino accounts. **Digest:** The Gambling Control Act provides for the licensure of certain individuals and establishments involved in various gambling activities, and for the regulation of those activities, by the California Gambling Control Commission. Existing law authorizes the commission, for any cause deemed reasonable by the commission, to deny any application for a license, permit, or approval, to limit, condition, or restrict any license, permit, or approval, or to impose any fine upon any person licensed or approved. For purposes of the act, existing law defines applicant as any person who has applied for, or is about to apply for, a state gambling license, or other licenses, permits, or approvals, as specified.

This bill would revise the definition of "applicant" to no longer include any person who is about to apply for a state gambling license, or other licenses, permits, or approvals, as specified.

**Digest:** Under existing law, the California Board of Horse Racing may authorize a harness or quarter horse association conducting a horse race to accept wagers on the results of out-of-state, out-of-country, and other designated harness or quarter horse races, if specified conditions are met, including that the association conducts at least 7 live races and imports not more than 8 races on live racing days.

This bill would revise that provision to instead permit the association to import not more than 10 races on live racing days.

Under existing law, revenues distributed to the state from horse racing are required to be deposited in the Fair and Exposition Fund and, unless otherwise appropriated are continuously appropriated to the Secretary of Food and Agriculture for various regulatory and general governmental purposes. By providing for the importation of additional out-of-state and out-of-country races, this bill would authorize additional wagering, and would increase the amount of continuously appropriated license fees, thereby making an appropriation.

**Digest:** Existing law, the Horse Racing Law, generally regulates horse racing and vests the administration and enforcement of the Horse Racing Law in the California Horse Racing Board. A violation of the act, where no other penalty is expressed, is a misdemeanor.

Existing law requires every association that conducts a racing meeting to deduct 15% of the total amount handled in conventional parimutuel pool and 16.75% of the total amount handled in exotic parimutuel pools and to distribute the moneys as specified. Existing law requires any fair racing association to additionally deduct 1% from the total amount handled in its daily conventional and exotic parimutuel pools, and provides for the deposit of the moneys in the Fair and Exposition Fund, a continuously appropriated fund, for expenditure for the construction or operation of recreational and cultural facilities of general public interest.

This bill would instead require that the 1% deducted from the total amount handled in its daily conventional and exotic parimutuel pools be distributed to the fair that conducted the racing meeting and to the horsemen and horsewomen who participated in the racing meeting. The bill would specify that 50% of this amount, would be payable to the fair as commissions, and 50% to the horsemen and horsewomen as purses. Because a violation of these provisions would be a crime, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

(1) *The California Constitution prohibits various gaming activities within the state, including casino-style gaming, but authorizes the Governor, subject to ratification by the Legislature, to negotiate and conclude compacts for the operation of slot machines and the conduct of lottery games and banking and percentage card games by federally recognized Indian tribes on Indian lands in California in accordance with federal law. The California Constitution also authorizes the Legislature to provide for the regulation of horse racing, charitable bingo games, the California State Lottery, and charitable raffles.*

Existing law prohibits a person, whether or not for gain, hire, or reward, from making a betting pool or placing a bet or wager on the result of any contest or event, including a sporting event, as specified.

The Gambling Control Act provides for the licensure of certain individuals and establishments that conduct controlled games, as defined, and for the regulation of these gambling activities by the California Gambling Control Commission. Existing law provides for the enforcement of those regulations by the Department of Justice. Any violation of these provisions is punishable as a misdemeanor, as specified.

The Horse Racing Law provides for the licensure of every person who participates in, or has anything to do with, the racing of horses, and every employee of a parimutuel department by the California Horse Racing Board. The board is responsible for adopting rules and regulations for the protection of the public, the control of horse racing, and parimutuel wagering, as well as enforcing all laws, rules, and regulations dealing with horse racing and parimutuel wagering. The law permits the board to authorize an association licensed to conduct a racing meeting to also operate a satellite wagering facility at its racetrack inclosure, and for fairs to locate a satellite wagering facility at their fairgrounds, under specified conditions. Any violation of these provisions is punishable as a misdemeanor.

This bill would authorize the owner or operator of a gambling establishment, horse racing track, or satellite wagering facility, with a current license, to conduct wagering on professional and collegiate sports or athletic events by applying to the California Gambling Control Commission or the California Horse Racing Board, as specified, for authorization to conduct sports wagering. The bill would require the commission and the board to adopt regulations to implement these provisions. The bill would require the department to, among other things, investigate any request made by the board or the commission in connection with an application for authorization, and to investigate alleged violations of the above provisions. Any violation of these provisions would be punishable as a crime. By creating a new crime, the bill would impose a state-mandated local program.

The California Constitution authorizes the Governor to negotiate and conclude compacts, subject to ratification by the Legislature. Existing law expressly ratifies a number of tribal-state gaming compacts, and amendments of tribal-state gaming compacts, between the State of California and specified Indian tribes. This bill would provide that a federally recognized Indian tribe may conduct sports wagering on Indian lands consistent with the requirements of the federal Indian Gaming Regulatory Act of 1988 , and under terms no more stringent than those applicable to any other owner or operator in the state.*

(3) *The Gambling Control Act requires the Department of Justice to investigate an applicant for a gambling license. Existing law provides that, if denial of the application, or approval of the license with restrictions or conditions on the license, is recommended, the chief of the entity*

*within the department that is responsible for enforcing these provisions shall prepare and file with the commission his or her written reasons upon which the recommendation is based. This bill would require the chief of that entity within the department to file with the commission the written reasons upon which the recommendation is based, together with all relevant documents and information.*

**Digest:** Existing law, the Horse Racing Law, vests jurisdiction and supervision over horse racing meetings where wagering is held or conducted on the results of those races in the California Horse Racing Board. Existing law authorizes the board to allocate racing weeks to an applicant and to specify the racing days, dates, and hours for horse racing meetings as will be in the public interest and will serve the purposes of the law. Existing law limits the allocation of dates for mixed breed meetings and combined fair horse racing meetings to between June 1 and October 31. Existing law prohibits the allocation of days for a mixed breed meeting or a combined fair horse racing meeting during the month of June at the California Exposition and State Fair if a standardbred meeting is being conducted at that facility during that month. Existing law also requires that the mixed breed meetings be conducted by an entity other than the California Exposition and State Fair as specified, and that the meeting encourage the

racing of emerging breeds of horses.

This bill would authorize combined fair horse racing meetings throughout the year. ~~The bill would delete the prohibition against the allocation of days for a mixed breed meeting or a combined fair horse racing meeting during the month of June at the California Exposition and State Fair if a standardbred meeting is being conducted at that facility during that month. The bill would also delete the requirement that the mixed breed meetings be conducted by an entity other than the California Exposition and State Fair, as specified, and that the mixed breed meetings encourage the racing of emerging breeds of horses.~~

## 2012 HUMBOLDT COUNTY FAIR AND RACE MEET

## MARKETING PLAN

16A. The Board of Directors and Staff are excited, wound-up and ready to go with the 116<sup>th</sup> edition of the Humboldt County Fair in Ferndale, home to California's smallest, yet most unique racing venue. Following a long history of racing in its traditional August dates, the decision to move one week later has been fully embraced and will be supported by marketing, advertising and promotion programs designed to make the 2012 race meet the best ever. Here's a summary of some of the things what we plan to do to meet the challenge:

- **NEW RACE DAY SCHEDULE:** In order to provide for the greatest success for everyone involved, Humboldt will modify its schedule when live racing will occur. Those modifications include racing on a Wednesday-Friday-Saturday-Sunday format during both weeks of racing. Dark days will include both Thursdays, along with Monday and Tuesday of the August 15-26 Humboldt County Fair. This change is designed to benefit the myriad of participants from the racing industry, along with the thousands of loyal fans who travel to Ferndale to support A
- **INCREASED ADVERTISING BUDGET:** Although our various communities have been kept abreast of our race dates saga, we recognize the importance of increasing our marketing and advertising of the 2012 race meet. While resources are scarce, we've nonetheless increase our overall marketing budget by 10% to approximately \$55,000. In Ferndale, the challenge of filling race fields is usually much more challenging than filling the grandstands, so we're confident in attracting a full house once again. Our fans are loyal and we look forward to seeing them all return this August.
- **Sponsorships:** We heard the message of the Board last year and have subsequently stepped-up our efforts to increase sponsorships for the 2012 fair. Even in these tight economic times, we've made every effort to increasing by at least 40% our sponsorship program, which last year brought in \$55,000 from the many businesses, foundations and individuals who recognize the economic importance of the Humboldt County Fair. That message will be extended to reach out to others, as we attempt to build a self-sufficient operation moving forward.
- **Fundraiser:** As a result of our outreach program, community leaders have come forward with a proposal to produce and promote a fund raising event for the Humboldt County Fair Association. These leaders have a proven record of similar events from past years and we are honored by their offer. The event is scheduled for Sunday, August 12, just prior to the opening of the fair, and we're optimistic of raising \$50,000-\$100,000 in community support from the event. A local non-profit entity, The Friends of the Humboldt County Fair, has been formed as the recipient of proceeds, which will go towards qualified capital improvements, as well as designated programs essential to the Association.
- **Track Safety Improvements:** Although the safety record of the Humboldt County Fair compared favorably with any other in California, we have committed resources toward a project which will only improve upon that record. As California's smallest race track, horse racing at Humboldt is a very up-close and personal experience, perhaps best characterized by the challenging tight turns of its half-mile oval. On the advice of our track superintendent, Steve Wood, we will be widening by six feet the outside of our first turn, and installing a six-foot high fence similar to the LA County Fair. By widening the turn, we hope to add consistency to the slope of the track surface in that first turn, thus providing both human and equine athletes with an even safer trip and ride. Estimated cost of the project is \$22,000.

- *PROMOTIONS:* In addition to reaching out to more businesses to sponsor our racing gate admissions, we will also be joining the list of racing entities that have used Lady's Hat Day at the Races promotion. A huge part of Del Mar's traditional opening day festivities, we will be conducting the promotion on Saturday, August 25, sponsored by the Ferndale Jockey Club
- *POST RACE PROMOTIONS:* Unique to Ferndale is the nightly recap of racing activities, with a live broadcast of our local ESPN radio station, KEKA 1340. Owners, trainers, jockeys and fans are among the many guests to appear on the program, which takes place live on Main Street Ferndale, in front of one of the many local bars, taverns and restaurants that embrace horse racing each August. Post-race promotions extend to the local NBC affiliate, New Channel 3 in Eureka, an important outlet which is provided footage for the races each day to broadcast on its 6:00 and 11:00 sports programs.

## **18D Track Safety and Maintenance Program**

**The regular and continuous maintenance of race track will begin in late July and continue through August 22, 2012. The Association employs a two man crew (1 tractor driver, 1 water truck driver) for ripping, blading and grading the racetrack. During this period, the fair operates the following equipment:**

- **1 151 tooth 18'6" wide roller harrow with rear axle**
- **1 10' wide cutting harrow**
- **1 John Deere 3840 tractor**
- **1 2755-4WD tractor – Starting Gate**
- **1 Sterling water truck, 5,000 gallons**
- **1 Harrington Rock Picker**

**Track preparation takes place prior to opening, and after morning workouts.**

**All of the aforementioned procedures are performed in conjunction with the Track Safety and Maintenance Program, managed by the California Authority of Racing Fairs. Prior to the meet, Track Master provides consulting services and, starting with track preparation, provides all supervision and technical assistance until the meet is over. CARF will be providing the track equipment during this same period.**
