**Summary:** The Horse Racing Law authorizes a thoroughbred racing association or fair to distribute the audiovisual signal and accept wagers on the results of out-of-state thoroughbred races conducted in the United States during the calendar period the association or fair is conducting a race meeting, including days on which there is no live racing being conducted by the association or fair, without the consent of the organization that represents horsemen and horsewomen participating in the race meeting and without regard to the amount of purses. Under that law, the total number of thoroughbred races imported by associations or fairs on a statewide basis under these provisions are required to not exceed 50 per day on days when live thoroughbred or fair racing is being conducted in the state, with the exception of prescribed races, including races imported that are part of the race card of the Kentucky Derby, the Kentucky Oaks, the Preakness Stakes, the Belmont Stakes, the Jockey Club Gold Cup, the Travers Stakes, the Arlington Million, the Breeders' Cup, the Dubai Cup, the Arkansas Derby, the Apple Blossom Handicap, or the Haskell Invitational. The committee is composed of representatives of controlled gambling licensees and members of the general public in equal numbers. This bill would increase the membership of the committee from 10 to 12 members, and would instead require the committee to be composed of 5 representatives of controlled gambling licensees, 5 members of the general public, and 2 representatives from the Department of Justice.

**Summary:** Existing law, the Gambling Control Act, provides for the licensure and regulation of various legalized gambling activities and establishments by the California Gambling Control Commission and the investigation and enforcement of those activities and establishments by the Department of Justice. This bill would revise the definition of "key employee" to mean any natural person employed in the operation of a gambling enterprise in a supervisory capacity or empowered to make discretionary decisions with regard to gambling operations. The bill would also delete pit bosses and shift bosses from the definition of "key employee," and would instead include shift managers and surveillance managers and supervisors in these provisions.
