ARTICLE V

Capital Contributions

Section 5.1 Initial Capitalization and Conditions Precedent

A. Capital Contributions. The Class A and Class B Members shall contribute capital and business opportunity to the Company in the aggregate amounts described in Exhibit "A" attached hereto and made a part hereof.

B. Conditions Precedent. The following conditions precedent ("**Conditions Precedent**") must be satisfied in full in order for this Operating Agreement to be deemed fully executed and effective:

All initial Capital Contributions of Class A Members must be delivered to the Company in their entirety, with the exception of contributions described as services in Exhibit A.

(1) Note, once a Class B Member, at the time of its admission (see Section 5.10.C. below), has made its required initial Capital Contribution, thereafter it shall not be obligated to make any further contributions pursuant to any other additional capital calls unless voluntarily agreed to by Management said such Class B Member.

(2) The finalization and/or delivery of any documents required or requested by Management as may be reasonably necessary to commence the Company's business; and

(3) This Agreement being executed (in whole or in counterpart) by all parties hereto.

C. Compliance Date for Formation. It is initially anticipated that the sum total of all the transactions herein described, as delineated by the Conditions Precedent described above in Section 5.1.B shall be completed on or before the close of business on September 30, 2021 ("**Compliance Date**"), or such later date as is agreed to by Management. However, it is acknowledged that Management may extend the Compliance Date as is reasonably necessary to effectuate this Agreement, the structuring of the Company and/or the admission of members to the Company, and to satisfy the Conditions Precedent hereinabove described in Section 5.1.B. If initial Capital Contributions are not completed by the established Compliance Date (unless further extended by Management), the same shall be deemed a failure of the Conditions Precedent, and this Agreement shall be null and void *ab initio* as to the Defaulting Member, or in its entirety if so elected by Management.

Section 5.2 Additional Capital Contributions

A. If Management determines that the Company does not have sufficient working capital to meet legal, regulatory and/or legislative challenges to a fantasy sports platform, then Management may make additional capital calls (each a "**Call**") to CARF, a Class A Member, with said Calls not occurring less often than monthly, in amounts of up to \$50,000.00 per Call, but with the total amount of the Calls not to exceed a total of \$250,000.00 per such Class A Member.

B. If the foregoing is insufficient to provide adequate operating and working capital for the Company, then Management may seek a majority vote of the Class A Members to obtain additional capital, in such amounts as may be required to continue the operations of the Company, which funding may include, but not be limited to, additional capital calls, Operating Loans, or other third party financing as Management may determine.

Section 5.3 No Interest on Capital Contributions

As of the effective date of this Agreement, upon the close of all required elements and concomitant satisfaction of Conditions Precedent, no interest shall be paid to the Members upon or with respect to any Capital Contributions.

Section 5.4 **Failure to Make Capital Contributions**

With respect to Section 5.1, Part B above set forth, in the event any Member shall fail to make any required initial Capital Contributions when due (a “**Defaulting Member**”):

A. On the occurrence of, and for the duration of, any default of this Operating Agreement by any Class A Member (“**Defaulting Class A Member**”) as to its obligation to make its initial Capital Contribution in accordance with Section 5.1.A (and per Exhibit “A” attached hereto), the Defaulting Member shall not have any right to Vote the Defaulting Class A Member’s Membership Interest or otherwise participate in the business and affairs of the Company and any and all provisions of this Agreement with respect to the same shall be determined without including the Membership Interest of the Defaulting Class A Member. The foregoing provision shall be in addition to the Company’s remedies under Corporations Code §17704.03. On satisfaction of a Defaulting Class A Member’s obligations (whether by enforcement of a remedy or otherwise), that Member shall be restored to membership status to the full extent of its Membership Interest.

B. With respect to Class B Members, if any there be, the Defaulting Class B Member will not have any right to Vote the Defaulting’s Member’s Membership Interests, if and where applicable, and any and all provisions of this Agreement with respect to the same requiring the consent of the Class B Member shall be determined without including the Membership Interests of the Defaulting Class B Member. The foregoing shall be in addition to the Company’s remedies under Corporations Code §17704.03. Further, the Defaulting Class B Member shall be liable for any and all damages, costs, fees, liabilities, charges or deficiencies incurred by the Company default by the Class B Member’s default, even if such indemnification exceeds the initial amount of the agreed upon Capital Contribution.

Section 5.5 **Withdrawal of Capital**

No Member shall have the right to withdraw any capital contributed to the Company except as may be specifically provided in this Agreement.

Section 5.6 **Liability of Members**

Except as specifically provided herein or in the Act, no Member shall be liable for Company obligations in an amount in excess of its aggregate Capital Contributions to the Company.

Section 5.7 **Property Other Than Cash**

No Member shall have the right to demand or receive Property other than cash in return for its Capital Contribution, as its interests may appear in the accounts of the Company; and, except as is provided below in Articles X, XI and XII, no Member shall have priority over any other Member, either as to contributions of capital or as to compensation by way of income.

Section 5.8 Capital Accounts

An individual Capital Account shall be established and maintained for each Member. The Capital Account of each Member shall be:

(i) credited with (a) the amount of cash or other assets each such Member has contributed to the Company, plus (b) the fair market value of any Property such Member has contributed to the Company net of any liabilities assumed by the Company or to which such Property is subject, plus (c) the amount of profits or gain of the Company allocated to such Member; and

(ii) charged with (a) the amount of losses and deductions of the Company allocated to such Member, (b) the amount of all cash distributed by the Company to such Member (but excluding in this provision any payments for fees for contracted, independent approved services that may be provided by a Member), (c) the fair market value of any Property distributed by the Company to such Member net of any liabilities assumed by the Company or to which such Property is subject, and (d) such Member's share of any other expenditures of the Company which are not deductible by the Company for Federal income tax purposes or which are not allowable as additions to the basis of the Company Property; and

(iii) subject to other such adjustments as may be required or permitted under the Code.

Section 5.9 Negative Capital Account Makeup Obligations

Subject to the Code, its Regulations and this Agreement, as applicable, in the event any Member has a negative balance in its Capital Account following the liquidation of the Company, or its interest in the Company, after taking into account all Capital Account adjustments for the Company's taxable year in which the liquidation occurs, and such Member(s) has/have executed a Limited Deficit Restoration Obligation Agreement, such Member(s) shall pay to the Company in cash the lesser of: (i) an amount equal to the negative balance in its Capital Account, or (ii) the amount reflected in the Limited Deficit Restoration Obligation Agreement.

Section 5.10 Classes of Membership - Ownership Interests – Admission of Class B Member

A. The Membership Interests of the Company shall be represented by the Class A Ownership Interests and the Class B Ownership Interests. No additional classes of Membership Interests of the Company shall be created or issued without the prior unanimous consent of all the Class A Members.

B. As described on Exhibit "A", at the time of formation of the Company the Member(s) holding the Class A and Class B Ownership Interests in the Company total one hundred percent (100%) as to the Class A Member(s); and zero percent (0.00%) as to any as-yet undefined Class B Members.

C. At any time after the execution of this Agreement by the Class A Members, the Class A Members, upon unanimous Vote, may admit one (1) or more Class B Members from time to time. The Class A Members agree that for the first Class B Member, CARF will allocate five percent (5.00%) of its respective ownership interests to the new Class B Member such that CARF immediately thereafter will hold a forty-six percent (46.00%) ownership interest in the Company, and Calypso Con, LLC will allocate five percent (5.00%) of its respective ownership interests to the new Class B Member such that Calypso Con, LLC immediately thereafter will hold a forty-four percent (44.00%) ownership interest in the Company, and the Class B Member will hold a ten percent (10.00%) ownership interest in the Company. Any further admission of other Class B Members shall require the unanimous Vote of all Class A Members. Upon the admission of a Class B Member to the Company, the parties will prepare an amendment to this Agreement reflecting such admission and the Class B Member's acknowledgment of the validity of this Operating Agreement and its agreement to abide by the terms of this Operating Agreement.

Operating Loans shall be evidenced by promissory notes of the Company ("**Operating Notes**") and shall be repaid in the manner and at the times specified below in Sections 11.2 and 12.1. If the Members so determine, and subject to the approval, if required, of any applicable Lenders or governmental authorities having any control, authorization rights or jurisdiction over the operations of the Company, such Operating Notes may be secured by a lien on some or all Property owned by the Company (as is prudent), or on the Company's beneficial interest therein (or so much thereof as is then owned by the Company), evidenced by a security instrument (which

Such security instrument also shall contain provisions requiring its subordination by its holder to any lien thereafter granted by the Company or its successors in title to a recognized bank, savings and loan association or other lending institution.

Section 7.3 **Benefit**

B. **Vacancy.** Any vacancy occurring in Management may be filled as provided below in Article XIV.

C. **Responsibilities.** Subject to the limitations set forth herein, Management shall be solely responsible for the management of the Company's business with all rights and powers generally conferred by law or necessary, advisable or consistent in connection therewith. However, notwithstanding the foregoing, Major Decisions (as defined below in Article XVIII) shall require the unanimous consent of all the Members.

Section 8.3 **Duties and Powers of Management**

Management shall use reasonable efforts to carry out the purposes, business and objectives of the Company referred to in Article III, and shall devote to the Company business such time and effort as shall be reasonably required for the proper conduct of the business of the Company. Anything in this Agreement to the contrary notwithstanding, all Persons dealing with the Company may rely upon the authority of Management to execute, for and on behalf of the Company, any contract or other document pertaining to the business of the Company and every contract, deed, mortgage, lease and other instrument executed by Management shall be conclusive evidence in favor of every Person relying thereon or claiming thereunder that at the time of the delivery thereof the execution and delivery of such instruments were duly authorized by the Management in accordance with this Article VIII. Management, however, is authorized and empowered to designate and appoint any agents and/or attorneys-in-fact to act for any one or more purposes for and on behalf of the Company, and any Person dealing with the Company may rely upon the efficacy of any such designation, appointment or power of attorney authorizing any such agent or attorney-in-fact to act for and on behalf of the Company to the same extent as if the action so authorized had been taken by Management. Every contract, agreement, or other instrument or document executed by Management or by any such agent and/or attorney-in-fact so designated by Management shall be conclusive evidence in favor of every Person relying thereon or claiming thereunder that at the time of delivery thereof: (i) the Company was in existence; (ii) Management or such agent or attorney-in-fact was duly authorized to execute such instrument; and (iii) this Agreement had not been terminated, canceled or amended in any manner so as to restrict such authority.

Section 8.4 **Prohibited Acts and Limitations**

Nothing contained in this Article VIII shall be construed as giving Management the power or right to possess Company Property for other than a Company purpose, nor to do any act prohibited by the terms of any statutes, ordinances, regulations or agreements applicable to the Company. All powers and rights of Management always shall be subject to the foregoing so long as the same continue in force and to be applicable to this Company as aforesaid.

Any indemnity under this Section 8.6 shall be

provided out of and to the extent of Company assets only, and no Member shall have any personal liability on account thereof.

Section 8.7 **Removal of Managers**

Managers may be removed for Cause, but only with the prior written consent of all Members, including Class B Members, if any, and including the Manager (if a Member) subject to removal and/or replacement. In such event, the removed Manager, if a Member, shall continue to be a Member and have voting rights with respect and in proportion to its Ownership Interest under this Agreement and will continue to receive its Profit and Loss allocations and cash distributions, consistent with the terms and provisions of the Agreement, and a new Manager shall be elected as provided below in Article XIV.

Section 8.8 **Meetings**

Neither the Members nor Management are required to hold formal meetings. Decisions requiring Member/Manager input or vote may be reached through one or more informal consultations followed by agreement among the appropriate vote of the Members/Managers, as applicable, provided that all Members are consulted, as is applicable or required (although all Members need not be present during a particular Member consultation), or by a written consent signed by the required majority of Members. In the event Members wish to hold a formal meeting (a “**Meeting**”) for any reason, the following procedures shall apply:

(a) Any Member may call a Meeting of the Members by giving Notice of the time and place of the Meeting at least one (1) week prior to the time of the holding of the Meeting. The Notice need not specify the purpose of the Meeting. The Meeting shall be held at the principal executive office of the Company.

(b) Members holding a Majority of Ownership Interests shall constitute a quorum for the transaction of business at any Meeting of the Members.

(d) Any action required or permitted to be taken by the Members under this Agreement may be taken without a Meeting if the Members holding sufficient Ownership Interests to approve the issue in question individually or collectively consent in writing to such action.

(e) Members may participate in the meeting through the use of a conference telephone or similar communications equipment, provided that all Members participating in the Meeting can hear one another.

(f) The Members shall keep or cause to be kept with the books and records of the Company full and accurate minutes of all Meetings, Notices, and waivers of Notices of Meeting, and all written consents in lieu of meetings.

Such schedule shall demonstrate that loans have been made, used, carried on the books of the Company (and repaid, as applicable) in accordance with the provisions of this Agreement. Management, promptly upon preparation or receipt of such balance sheet and statements and in any event within one hundred four (104) days after the end of each fiscal year, shall transmit to all Members a copy thereof. Management shall cause the Company's certified public accountants ("CPAs") to prepare federal and state income tax returns of the Company, and Management shall use reasonable efforts to cause such CPAs to prepare such tax returns within one hundred four (104) days after the end of such fiscal year. Section 14.2 [Intentionally Omitted]

Section 14.3 Successor Manager

A. Upon the occurrence of any Retirement of a Manager (see Definitions in Article XVIII below), the remaining Manager(s), if any, may designate a Person to become a Successor Manager to the Retired Manager. Any Person so designated, subject to the Approval a two-thirds (2/3) majority of all the Members, shall become a Successor Manager upon its written agreement to be bound by the provisions of this Agreement.

B. If any withdrawal or removal of a Manager or Retirement shall occur at a time when there is no remaining Manager, and no successor becomes a successor Manager pursuant to the preceding provisions of this Section 14.3, then fifty-one percent (51%) or more in interest of the other Members, in proportion to their respective total Ownership Interests, shall have the right, to designate a Person (or Persons) to become a successor Manager (or Managers) upon its written agreement to be bound by the provisions of the Agreement.

Section 15.1 Right to Assign

In order to transfer a Membership Interest in the Company, a Member first must give at least ninety (90) days prior written notice to the Company and must comply with Section 17.1 and with either Section 15.2.A or Section 15.3.A of this Agreement. Any attempted assignment without prior notification will be absolutely void and of no effect. Further, an assigning Member also must give written notice of the same to Management immediately after a permissible assignment is consummated. If the Company receives a request for transfer from a Member, then the Company and the other Members shall have the right to purchase the Membership Interest from the Transferring Member consistent and in accordance with the timing and notification and purchase price provisions set forth below in Section 15.7, Part A, Part D and Part E which are

applicable from and after the time the selling Member provides notice to the Company and the other Members of its intent to sell or assign its Membership Interest in the Company. If the Company approves a transfer by Calypso Con, LLC to a Transferee (and potential Substituted Member), such Transferee shall not be providing Fantasy Content to the Company unless preapproved by Management in Management's sole discretion.

Section 15.2 Permitted Transfers

A. An individual Member, or any principal of a non-individual Member, shall have the right to assign its Membership Interest in the Company to an inter vivos trust ("**Trust**") created for the benefit of that Member or the benefit of that Member and any combination between or among the Member and the Member's spouse, in which event the Member and the spouse, while married, are the sole trustees thereof (and such trustee(s), if and as applicable, shall be the Substituted Member owners of the interest in the Company), and the Member and spouse, as trustees, possess all the voting interest included in that Trust consistent with the terms and provisions provided below in Section 15.6 (a "**Permitted Assignee**"). However, the foregoing does not include any other transfer, assignment or sale (hereafter collectively referred to as an "**assignment**") out of the Trust to a beneficiary thereof or other third party without Management approval, in its sole discretion, and upon the death of the settlor Member, at the election of Management, in its sole discretion, such decedent's interests in the Company shall be acquired by the Company pursuant to Section 15.6, Part E. below set forth.

B. Any Permitted Assignee shall become a Substitute Member. Any Permitted Assignee, as a condition of receiving any interest in the Company assets, shall agree to be bound (to the same extent as his or her assignor was bound) by the provisions of this Agreement.

C. Management may require, as a condition of any such assignment to a Permitted Assignee of any Membership Interest in the Company, that the assignor furnish Management with an opinion of counsel satisfactory to counsel of the Company, in its reasonable discretion, that such assignment or transfer complies with applicable Federal and state security laws and with this Operating Agreement.

Section 15.3 Restrictions and/or Conditions.

A. Except as otherwise expressly provided in this Agreement or by operation of law, no Member has the right to transfer or assign its Ownership Interest in the Company until all Class A Members and Management (in Management's sole discretion) shall have given their prior written consent to the same, not to be unreasonably withheld or delayed.

B. Management may require, as a condition of any approved assignment (such approval to be given or withheld in Management's sole discretion) of any interest in the Company, that the assignor: (i) assume all costs incurred by the Company in connection therewith; and (ii) furnish the Company with an opinion of counsel satisfactory to counsel to the Company that such sale, transfer, exchange or other disposition complies with applicable Federal and state securities laws.

C. Any assignment in contravention of any of the provisions of Section 15.1 or this Section 15.3 may be declared (in Management's sole discretion) void and ineffective, in which event the same shall neither bind, nor be recognized by, the Company.

D. In the event that the Company elects to issue membership certificates to Members evidencing their respective Ownership Interests in the Company, such membership certificates shall bear restrictive legends stating that the Members' Ownership Interests have not been registered under the Securities Act of 1933.

E. The Company, if applicable, shall place a stop transfer instruction on its records with respect to Ownership Interest on any membership certificate issued to Members.

Section 15.4 Substitute Members

Except as is set forth above in Section 15.2, no assignee, transferee or purchaser (hereafter collectively referred to as "**assignee**") of a Membership Interest, if such assignment is approved, shall become a Substitute Member without the further consent of Management, which consent may be withheld by Management in its sole discretion. In this event, such permitted assignee shall hold only an economic interest in the Company, as described below in Section 15.5, but shall not have any voting rights in the Company. Any Substitute Member, as a condition of receiving any interest in the Company assets, shall agree to be bound (to the same extent as his assignor was bound) by the provisions of this Agreement.

Section 15.5 Assignees

A. A Member's permitted assignee who does not become a Substitute Member in accordance with Section 15.4 shall have, if such assignment is in compliance with the terms of this Agreement, the right to receive the same share of profits, losses and distributions of the Company to which the assigning Member would have been entitled if no such assignment had been made by such Member.

B. Any Member who permissively assigns all its interest in the Company shall cease to be a Member of the Company, and shall no longer have any rights or privileges or obligations of a Member except that, unless and until the assignee of such Member is admitted to the Company as a Substitute Member in accordance with Section 15.4, said assigning Member shall retain the statutory rights and be subject to the statutory obligations of an assignor Member under the Act as well as the obligation to make the Capital Contributions attributable to the interest in question, if any portion thereof remains unpaid.

C. In the event of any approved assignment of a Member's interest, there shall be filed with the Company a duly executed and acknowledged counterpart of the instrument making such assignment; such instrument must evidence the written acceptance of the assignee to all the terms and provisions of this Agreement; and if such an instrument is not so filed, the Company need not recognize any such assignment for any purpose.

D. An assignee of a Member's interest as a party who does not become a Substitute Member as provided in Section 15.4 and who desires to make a further assignment of its interest shall be subject to the provisions of this Article XV to the same extent and in the same manner as any Member desiring to make an assignment of its interest.

Section 15.6 Involuntary Transfers

Notwithstanding any other provisions of this Agreement:

A. If, by reason of the death of a spouse of an individual Member, any portion of a Membership Interest is transferred to a transferee other than: (i) that Member; or (ii) a trust created for the benefit of that Member (or the benefit of that Member and any combination between or among the Member and the Member's spouse, in which the Member is the sole trustee and the Member, as trustee or individually, possesses all of the voting interests included in that Membership Interest), then the Member shall have, as applicable, the right to purchase the Membership Interest or portion thereof from the estate or other successor of his or her deceased spouse or transferee of such deceased spouse, and the estate, successor, or transferee shall sell the Membership interest or portion thereof at the price(s) set forth in Part E of this Section 15.6. If the Member fails to consummate the purchase within one hundred eighty (180) days after the date of death (the "**Expiration Date**"), the Company and the other Members shall have the option for one (1) year thereafter to purchase from the estate or other successor of the deceased spouse the Membership Interest or a portion thereof pursuant to Part D of this Section 15.6; provided that, said option period shall commence on the later of: (i) the day following the Expiration Date; or (ii) the date of actual notice of the death.

B. If and upon the death of Michael Knapp, then, unless Management otherwise agrees in its sole discretion to a continuation of Calypso Con, LLC or another heir, beneficiary or potential transferee becoming a Transferee Member of the Company, the same shall be considered an involuntary transfer by Calypso Con, LLC and the Membership and/or the Company shall have the option, for one (1) year thereafter to purchase from the estate of Michael Knapp, or other successor of the decedent, the Membership Interest of Calypso Con, LLC, or a portion thereof pursuant to Parts D and E below, with the option period commencing on the date of receipt by the Company of actual notice of the death of Michael Knapp.

C. If and upon a change of management of Calypso Con, LLC, then, unless Management otherwise agrees, in its sole discretion, to a continuation of Calypso Con, LLC as a continuing Member of the Company, the same shall be considered an involuntary transfer by Calypso Con, LLC and the Membership and/or the Company shall have the option, for one (1) year thereafter, to purchase the Membership Interest of Calypso Con, LLC, or a portion thereof pursuant to Parts D and E below, with the option period commencing on the date of receipt by the Company of actual notice of the change of Management of Calypso Con, LLC.

D. On the receipt of notice by the other Members as contemplated by Part A, Part B or Part C of this Section 15.6, the Company shall have the option, for a period ending one hundred eighty (180) calendar days following the determination of the purchase price as provided below in Part E of this Section 15.6, to purchase the Membership Interest in the Company to which the

option relates, at the price and on the terms provided in Part E of this Section 15.6, and the other Members, pro rata in accordance with their prior Membership Interest in the Company, shall then have the option, for a period of one hundred eighty (180) days thereafter, to purchase the Membership Interest in the Company not purchased by the Company, on the same terms and conditions as apply to the Company. If all other Members do not elect to purchase the entire remaining Membership Interest in the Company, then the Members electing to purchase shall have the right, pro rata in accordance with their respective prior Ownership Interest in the Company to purchase the additional Membership Interest in the Company available for purchase. The potential transferee of the Membership Interest in the Company that is not so purchased, or Calypso Con, LLC as to its interest in the Company that is not so purchased, shall hold such Membership interest in the Company subject to all of the provisions of this Agreement.

E. The purchase price of a Membership Interest that is the subject of an option under this Agreement shall be the Fair Market Value of such Membership interest as determined under this Section 15.6, Part E. Each of the selling and purchasing parties shall use his, her, or its best efforts to mutually agree on the Fair Market Value. If the parties are unable to so agree within thirty (30) days of the date on which the option (or other right to purchase) is first exercisable (the “**Option Date**”), the selling party shall appoint, within forty (40) days of the Option Date, one appraiser, and the purchasing party shall appoint within forty (40) days of the Option Date, one appraiser. The two (2) appraisers, within a period of five (5) additional days thereafter, shall agree on and appoint an additional appraiser. The three (3) appraisers shall determine, within sixty (60) days after the appointment of the third appraiser, the Fair Market Value of the Membership Interest in writing and submit their report to all the parties. The Fair Market Value shall be determined by disregarding the appraiser’s valuation that diverges the greatest from each of the other two appraisers’ valuations, and the arithmetic mean of the retaining two appraisers’ valuations shall be the Fair Market Value. Each purchasing party shall pay for the services of the appraiser selected by it, plus one-half of the fee charged by the third appraiser. Said purchase price as so determined shall be payable pursuant to an unsecured Promissory Note payable in quarterly installments of interest and principal amortized over a ten (10) year period, utilizing the lowest permitted long term federal interest rate in effect as of the decedent’s date of death for such transfer of the interest, unless otherwise agreed by the Company, and/or purchasing party(ies), and/or the selling party(ies), as applicable, with the selling party(ies) being under no obligation to alter or receive any form of payment other than cash. The purchasing party(ies) can pay the obligation in full, or by other partial accelerated payments at any time without penalty.

Section 15.7 Wrongful Dissociation

Dissociation by a Member from the Company is not permitted and is wrongful, as described in California Corporations Code Section 17706.01(b), and such Member is liable for damages as described in California Corporations Code Section 17706.01(c). Further, the failure of Calypso Con, LLC to maintain its SPE status (see Definitions below), as approved by Management concurrently with Calypso Con, LLC’s admission into the Company, or it amends its SPE provisions in its operating agreement without first having such changes approved in advance by Management, in Management’s sole discretion, the same shall be deemed by Management as Calypso Con, LLC’s dissociation from the Company and also a default under this Agreement

entitling the Company, in addition to the statutory remedies hereinabove described, to exercise all other rights and remedies available to the Company at law or in equity.

ARTICLE XVI

Section 16.1 Events Causing Termination

Section 16.3 Distributions in Kind

If it becomes necessary to make a distribution of Company Property in kind, due to the economic impracticability of liquidating the assets of the Company, such Property shall be transferred and conveyed to the Members and their Assignees so as to vest in each of them as a tenant-in-common an undivided interest in the whole of said Property equal to its interest had there been a distribution of net cash proceeds made in accordance with Section 16.2.

Section 16.4 Period for Orderly Liquidation

A reasonable time shall be allowed for the orderly liquidation of the assets of the Company

and the discharge of liabilities to creditors so as to enable Management to minimize losses attendant upon a liquidation.

Each of the Members shall be furnished with a statement prepared by the Company's then accountants, which shall set forth the assets and liabilities of the Company as of the date of complete liquidation. Upon the consummation of the transactions contemplated in this Article XVI, Management shall execute, acknowledge and cause to be filed a writing to cancel the Certificate of Organization of the Company.

Section 16.6 Non-Liability of Managers

Managers shall not be personally liable for any distributions to the Members, including a return of invested capital, or any portion thereof, with all such distributions to be made solely from Company assets.

ARTICLE XVII

General

Section 17.1 Additional Restrictions on Transfer

A. Notwithstanding any other provision of this Agreement, except as otherwise provided in this Section 17.1, no sale or exchange of any Member's interest in the Company may be made if the interest sought to be sold or exchanged, when added to the total of all other interests in the Company sold or exchanged within the period of twelve (12) consecutive months prior to the proposed date of sale or exchange, would result in the termination of the Company under Section 708 of the Code.

B. Any sale, exchange or other transfer in contravention of any of the provisions of this Section 17.1 shall be void and ineffective, and shall not bind or be recognized by the Company.

Section 17.2 Notices

A. All notices, demands or requests provided for or permitted to be given pursuant to this Agreement must be in writing. All notices, demands and requests to be sent to a Member or to any assignee of the interest of a Member hereunder pursuant hereto shall be deemed to have been properly given or served by depositing the same in the United States mail, addressed to such Member, prepaid, and registered or certified with return receipt requested, at the business address of the Members they provide to Management.

B. All notices, demands and requests shall be effective upon being deposited in the United States mail. However, the time period in which a response to any such notice, demand or request must be given shall commence to run from the date of receipt on the return receipt of the notice, demand or request by the addressee thereof.

C. By giving to the other parties at least thirty (30) days' written notice thereof, the Members and their respective successors and assigns shall have the right from time to time and at any time during the term of this Agreement to change their respective addresses and each shall have the right to specify as its address any other address within the United States of America.

D. No transferee of any interest by any Member shall be entitled to receive a notice independent of the notice sent to the Member making such transfer. A notice sent or made to a Member shall be deemed to have been sent and made to all transferees, if any, of such Member.

E. All payments to be made pursuant hereto to any Member shall be made at the address set forth herein for such Member. All such payments shall be effective upon receipt.

Section 17.3 Obligations and Rights of Transferees

Any Person who acquires in any manner whatsoever any interest in the Company, irrespective of whether such Person has accepted and adopted in writing the terms and provisions of this Agreement, shall be deemed by the acceptance of the benefit of the acquisition thereto to have agreed to be subject to and bound by the same obligations under this Agreement that the predecessor in interest of such Person was subject to or bound by. However, no assignee of an interest in the Company shall be entitled to be admitted as a Member unless and until it has accepted and adopted in writing the terms and provisions of this Agreement to the same extent and on the same terms as the present Members.

Section 17.4 Governing Law

This Agreement and the rights and obligations of the Members hereunder shall be governed by and construed in accordance with the Act, as amended, and other applicable laws of the State of California. Venue for any action arising hereunder shall be in the State or Federal Courts, as applicable, located in the City of Sacramento, California.

Section 17.5 Entire Agreement and Amendments

This Agreement contains the entire agreement between the parties hereto relative to the formation and operations of the Company and, except as otherwise specifically provided herein, may be modified or amended only by a written document consented to by all Members.

Section 17.6 Separability of Provisions: Rights and Remedies: Arbitration

A. Each provision of this Agreement shall be considered separable and (i) if for any reason any provision or provisions herein are determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those portions of this Agreement which are valid, or (ii) if for any reason any provision or provisions herein would cause the Members to be personally bound for the obligations of the Company under the laws of the State as the same may now or hereafter exist, such provision or provisions shall be deemed void and of no effect.

B. Each of the parties hereto irrevocably waives during the Company's Term any right that such party may have to maintain any action for partition with respect to the Property of the Company.

C. The rights and remedies of any of the parties hereunder shall not be mutually exclusive, and the exercise of one or more of the provisions hereof shall not preclude the exercise of any other provisions hereof. Each of the parties confirms that damages at law may be an inadequate remedy for breach or threat of breach of any provisions of this Agreement. The respective rights and obligations hereunder shall be enforceable by specific performance, injunction, or other equitable remedy, but nothing herein contained is intended to limit or affect any rights at law or by statute or otherwise of any party aggrieved as against the other parties for a breach or threat of breach of any provisions hereof, it being the intention by this paragraph to make clear that under this Agreement the respective rights and obligations of the Members shall be enforceable in equity as well as at law or otherwise.

D. In any instance in which any matter is to be determined by Arbitration under the provisions of this Agreement, such matter shall be submitted to arbitration in the manner provided under the Commercial Arbitration Rules of the American Arbitration Association then in effect; such arbitration shall be conducted before one arbitrator, chosen in accordance with such rules in Sacramento, California, and shall be binding on all parties to the dispute; judgment on the award of such arbitrator may be rendered by any court having jurisdiction of such parties and the subject matter. Insofar as any action is required to be taken by the Members in respect of any such arbitration, such action may be taken by the vote or written consent of at least fifty-one (51%) in interest of the Members.

Section 17.7 Benefits and Obligations

The singular shall include the plural and the masculine gender shall include the feminine and neuter, and vice versa unless the context otherwise requires. Any references to "Sections" or "Articles" are to Sections or Articles of this Agreement, unless reference is expressly made to a different document. MEMORANDUM

FROM: Kahn, Soares & Conway, LLP

RE: 2021 Legislative Report

DATE: September 21, 2021

The Legislature adjourned the first year of the 2021-2022 Legislative Session at 9:00 p.m. on Friday, September 10, 2021. Just over 800 bills passed out of the Assembly and Senate, which now await action from the Governor who has until midnight on October 10, 2021 to sign or veto legislation presented to him. Below are bills that were of particular interest throughout the course of the year.

2021 Legislation*AB 29 (Cooper) Open Meetings*

Summary: The Bagley-Keene Open Meeting Act requires that all meetings of a state body, as defined, be open and public, and that all persons be permitted to attend any meeting of a state body, except as otherwise provided in that act. Current law requires the state body to provide notice of its meeting, including specified information and a specific agenda of the meeting, as provided, to any person who requests that notice in writing and to make that notice available on the internet at least 10 days in advance of the meeting. This bill would require that notice to include all writings or materials provided for the noticed meeting to a member of the state body by the staff of a state agency, board, or commission, or another member of the state body that are in connection with a matter subject to discussion or consideration at the meeting.

Outcome: This was made a two-year bill by the author.

AB 339 (Lee) Open Meetings

Summary: This bill would, until December 31, 2023, require all open and public meetings of a city council or a county board of supervisors that governs a jurisdiction containing least 250,000 people to include an opportunity for members of the public to attend via a two-way telephonic option or a two-way internet-based service option, as specified, and would require a city council or county board of supervisors that has, as of June 15, 2021, provided video streaming, as defined, of at least one of its meetings to continue to provide that video streaming. The bill would require all open and public meetings to include an in-person public comment opportunity, except in specified circumstances during a declared state or local emergency. The bill would require all meetings to provide the public with an opportunity to comment on proposed legislation in person and remotely via a telephonic or an internet-based service option.

Outcome: This bill passed the Assembly (58-7) and Senate (25-8) and is now awaiting action from the Governor.

AB 351 (C. Garcia) Gambling: Horse Racing

Summary: This bill would exempt from the 50 imported race per day limitation races imported that are part of the race card of the Pegasus World Cup Invitational.

Outcome: The bill was made a two-year bill by the author.

AB 597 (Bigelow) CARF Spot-Bill

Summary: This was the annual spot-bill that CARF submits each year.

Outcome: It was not moved this year and is now a two-year bill.

AB 715 (Megan Dahle) Fairs and expositions: Special Trust Account for the Rebuilding and Renewal of Fairs

Summary: Currently all revenues transferred to this account are continuously appropriated from that account to the Department of Food and Agriculture, for allocation by the Secretary of Food and Agriculture, at the Secretary's discretion, for those specified purposes. This bill would instead require that funds appropriated or designated for California fairs and expositions be first deposited in a separate account in the Fair and Exposition Fund designated by the bill as the Special Trust Account for the Rebuilding and Renewal of Fairs, and continuously appropriated from that account to the CDFA, for allocation by the Secretary of Food and Agriculture.

Outcome: This was made a two-year bill by the author.

AB 974 (Luz Rivas) Equestrian safety

Summary: Would require a person under 18 years of age to wear a properly fitted and fastened helmet meeting specified requirements when that person is riding an equestrian animal on a paved highway. The bill would require a person, regardless of age, riding an equestrian animal upon a paved highway during hours of darkness to use reflective gear or a lamp emitting a white light on their person or on the equestrian animal. The bill would make a violation punishable by a fine of not more than \$25, except as provided. By creating a new crime, the bill would impose a state-mandated local program.

Outcome: AB 974 advanced out of the Legislature with near unanimous support and is now awaiting action by the Governor.

SB 820 (Dodd) Horse racing: state-designated fairs: allocation of revenues: gross receipts for sales and use tax

Summary: This bill would require, on or before November 1 of each year, the CDTFA to report to the Department of Finance the amount of the total gross receipts segregated on these tax returns filed for the prior fiscal year. The bill would delete the requirement that, for the 2019–20 fiscal year and all subsequent fiscal years, the review by the CDTFA for errors to allow an adjusted total gross receipt amount to be determined, be for the purpose of calculating the amount to be included in the Governor's Budget for use by the Department of Food and Agriculture for allocation to fairs.

Outcome: The bill passed out of the Assembly and Senate with unanimous support and is now awaiting action by the Governor.

Budget Act of 2021

Summary: This year's budget was anything but typical. The Legislature passed the original Budget on June 14th and then passed subsequent Budget Bill Juniors on July 8th, July 14th and September 9th. The Legislature also passed another Budget bill on June 28th that made amendments to the June 14th Budget bill, as well as various Budget Trailer Bills.

The budget spends \$262.5 billion in total state funds, consisting of approximately \$196.4 billion from the General Fund, \$61.2 billion from special funds, and \$4.9 billion from bond funds.

Of note, the Budget includes:

\$150 million one-time General Fund for CDFA to support the development of community resilience centers.

\$135 million for Cal OES to strengthen the state's emergency capacity and capabilities.

\$50 million General Fund supports fairground operational costs while the state evaluates its relationship with fairs

A full summary of the enacted Budget, can be found [here](#).
